

Our vision is to be a life-giving movement of people having such an impact that if we were gone our communities would miss us.

As we live out the Vision we are guided by six core values.

Obedience is our success: Our success will not be determined by outcome but by our obedience to God.

In 2017, we launched the *I Heart Wyoming Initiative*, partnering with 14 churches around the state, giving away \$100,000 to do Outreach Events in those communities.
